DEAR READER-DON'T THINK THAT FERRET AND HIS MOB ARE ENTIRELY ALTRUISTIC. IN SAVING PALDOKA (IF THEY DO IT) THEY ARE DOING THEMSELVES A FAVOR AND GETTING EVEN WITH KNOBBY. THEY EXPECT PLENTY IN RETURN. WE'RE NOT GLORIFYING THE GANGETER, NOT BY A DARN SIGHT! LEAVE THAT TO FICTION MAGAZINES, THE MOVIES AND RADIO. WE KNOW HIM AS A MENACE TO THE FIGHT GAME, AND A DANGEROUS PARASITE IN OUR SOCIAL SCHEME. TRUE, FERRET OWES JOE A GREAT DEBT OF GRATITUDE . THROUGH PALGORA'S UNCONSCIOUS AID (DO YOU BEMEMBER?) THE GANG ESCAPED CAPTURE LAST YEAR.
